Roses of Yesterday, Today, and Tomorrow

2024 Spring Rose Show

North Haven Gardens

7700 Northaven Road, Dallas, TX 75230

The officers, rose show committee and members of the Dallas and Fort Worth Rose Societies cordially welcome you to our Spring Rose Show. The theme of this year's show is "Roses of Yesterday, Today, and Tomorrow".

We are happy to assist you with information on rose culture and how to exhibit your beautiful roses. There will be a table of horticulture and membership information for both societies. Consulting Rosarians will be on-hand for rose-related questions, so please stop by.

We hope you enjoy our roses as much as we enjoy growing and showing them. We invite you to join us in our great hobby and encourage you to become a member of one or both of our local societies, as well as, the American Rose Society. Whether you have one rose bush or hundreds, we can help you get on the road to growing beautiful roses...our national flower!

Many thanks to the members who served on the show committee and staffed the show, to the judges who traveled many miles to graciously give of their time and talents, and a special thanks to all the rose and arrangement exhibitors from the Dallas-Fort Worth Metroplex who participated!

Much appreciation to North Haven Gardens for hosting our rose show.

GENERAL SHOW RULES AND REGULATIONS

1. This show will be governed by the rules, regulations and guidelines of the American Rose Society as set forth in the *Guidelines for Judging Roses* and *Guidelines for Judging Rose Arrangements*. The ARS Official Scale of Points will be used for judging Challenge, Horticulture, Arrangement and Photography entries.
2. Only one exhibitor or team from one garden may enter any one class.
3. All roses must have been grown outdoors in a garden, *except where expressly permitted*.
4. SECTION headings state qualifications for entering. Awards will be available as stated in the full schedule.
5. All roses must be correctly named and exhibited under their approved ARS Exhibition Name. The variety must be listed in an ARS recognized publication.
6. All entries must be made according to the schedule and in the proper class or will be disqualified. Entry tags must be completed correctly: **Top and bottom** portion must show the Section, Class, Variety and Exhibitor's Name and Address. The Bottom portion of the tag must be correctly folded so the exhibitor's name will not be visible during judging. The DRS will provide entry tags.
7. First, second and third places will be awarded in each class as, and if, merited. More than one of each place may be awarded in a class if they are awarded to different varieties.
8. Only first place winners are eligible for trophies and awards. Judges must write "Trophy" or "Best" on all trophy and award winner's tags.
9. Exhibits must remain intact until the close of the show. All specimen entries will become the property of the Show Committee and may not be removed without permission.
10. Judges may withhold ribbons, certificates, and trophies at their discretion. The decisions of the judges are final.
11. The Show Chair will be responsible for interpreting the Schedule and enforcing the Rules and Regulations of the Show.
12. Please pick up any personal property (boxes, vases, photographs, etc.) no later than the conclusion of the public viewing of the show.
13. North Haven Garden, DRS, nor ARS will be responsible for loss or damage to any exhibits or personal property of the exhibitors.

EXHIBITORS

1. Competition is open to any members of ARS, the DRS or any Local Rose Society, and public unless otherwise noted.
2. Judges' Classes are open only to Judges who are judging any division of the Rose Show.
3. Novice sections are open to Novices only. Novices may also enter roses in all other sections of the show except the Judge's classes. A Novice in Horticulture is an exhibitor who has not won either two blue ribbons or a trophy in any ARS-sanctioned Rose Show (anywhere!). This rule does not pertain to Monthly/Little Rose Shows held during a regular meeting.
4. Exhibitors who share a garden must enter as one exhibiting team in the Horticulture, Challenge, and Arrangement classes.

JUDGING PROCEDURES

1. Horticulture specimens and collections will be judged in accordance with the *Guidelines and Rules for Judging Roses*. Arrangement entries will be judged in accordance with the *Guidelines for Judging Rose Arrangements*.
2. Rose types and exhibition names will be determined by the **Modern Roses** database on the web, *Modern Roses 12*, the *ARS Official List of Approved Exhibition Names*, the *ARS Handbook for Selecting Roses*, and the current *Combined Rose List*. The Help Me Find database may be used to find photos of unfamiliar roses.
3. During the judging, no one will be permitted on the show floor except those authorized by the Show Chair.

RULES SPECIFIC TO HORTICULTURE EXHIBITS

1. Exhibits should be removed at the close of the Show.
2. Entry tags, vases, boxes, etc. will be supplied by the DRS on a first-come, first-served basis unless otherwise specified. Exhibitor-owned properties may be used but must be in accordance with ARS standards or approved by the Show Chair.
3. Large Horticulture entry tags are to be used for large rose entries (HT, Gr, Fl, all Shrubs). Small Horticulture entry tags are to be used for small roses (Mini, MF). Challenge tags should be used in Challenge classes. Arrangement entry tags should be used for all Arrangement entries. Entry

tags must be complete; both **Top & Bottom** must be filled out. Roses must be correctly identified. Tags should be correctly folded so exhibitor's name will not show during judging.

4. This is an alphabetic show. Entries in Horticulture Division will be placed alphabetically by the first letter of their name, and each variety will constitute a class. Varieties that have "Climbing" as part of their name must be entered with their respective bush counterparts.
5. Exhibitors are allowed as many entries in each class as the Schedule permits, however only one entry in any Challenge, Arrangement or Horticulture varietal sub-class. **Multiple entries from the same exhibitor in restricted classes will all be disqualified.**
6. One bloom per stem entries of Hybrid Tea, Grandiflora, Floribunda, Miniature, Miniflora entries may be shown with side buds.
7. Sprays of two or more blooms may also include green buds if they are not distracting.
8. Shrub Roses may be exhibited as sprays or as one bloom per stem with side buds; they may also be exhibited stem-on-stem (one year's growth only).
9. All Modern shrub roses including Austin roses are denoted "S" for Shrub in the *Handbook*.
10. Wedges are permitted but must not protrude above the lip of the container. Exhibitors must remove their wedging material from the vases at the end of the show.
11. Exhibition Form is defined as that form expected of a Hybrid Tea – a high, pointed center with a circular outline of the petals as they unfold. Example: 'Gemini'.
12. Exhibition Stage is defined as any form in which a particular cultivar displays the most perfect phase of beauty for that rose. Example: 'Marriota'.
13. A Novice in Horticulture is an exhibitor who has not won either two blue ribbons or a trophy in any ARS-sanctioned Rose Show (anywhere!). This rule does not pertain to Monthly/Little Rose Shows held during a regular society meeting.
14. No exhibits, entry tags, containers, or awards may be removed before the close of the show except by the Show Chairman. Ribbons and certificates may be collected at the end of the Show.

15. All entries must be in place by the time set forth in the Time Schedule (page 3/4). It is the exhibitor's responsibility to place their entries in the proper classes.
16. Stem on stem is no longer a disqualification, only a possible penalization, unless expressly stated. The following disqualifications remain:
 - a. Foreign Substance applied to enhance the beauty of the entry.
 - b. Misnamed. Rose is not the variety or an accepted synonym.
 - c. Unlabeled or mislabeled. Entry lacks an entry tag, exhibitor's name, a class number, and/or the variety name on the entry tag.
 - d. Exhibitor's name visible if not corrected before the entry is judged.
 - e. A Challenge Class entry does not satisfy the requirements of the class in which it is entered.

Judges may ballot on the Courts, as long as, they do not have an entry included in the balloting.
